I am writing this letter to recommend the services of Piedmont Land & Timber, Brad Fields in particular. My relationship with Piedmont Land & Timber started around 15 years ago. In that time, they have harvested land in Caswell, Chatham, Davie, Forsyth, Guilford, Montgomery, and Rockingham counties. The total is well over 500 acres.

I have always known Brad to be honest and easy to work with. He is organized and does an excellent job for me. He offers competitive pricing and pays promptly. I especially like that! Another plus is his concern for the environment. My land has been left in good condition. Brad developed and managed a plan to replant 300 acres on harvested properties afterward. The money saved in tax dollars with the Forestry Tax Program is in the thousands.

If you have any questions, please feel free to contact me.
